The European Journal of Social & Behavioural Sciences (EJSBS) is an open access, peer-reviewed and refereed journal published by European Publisher. It is published three times a year (in January, April and August). The main objective of the EJSBS is to provide a platform for international scholars to showcase and disseminate work in their area of expertise.

The EJSBS aims to promote interdisciplinary studies in social and behavioural sciences and become the journal of choice in reporting research in social and behavioural sciences. The EJSBS has been successful in attracting a wide range of international contributions to the field and in doing so, is rapidly becoming a sought after journal to publish scholarly work in this area.

The scope of the journal includes, but is not limited to, aspects of Education such as Educational Management, Educational Psychology, Educational Sociology, Teacher Training, Testing and Evaluation, Language Education, Music Education, Sports Education, Legal Education, Medical Education, Special Education, Early Childhood Education, Curriculum Development; Literacy Studies; Management Studies; Media and Communication Studies; Political Sciences and Public Policy; Population studies, Music Studies; Religious Studies; Historical and Civilizational Studies and any fields of study with a focus on social and behavioural outcomes.

EJSBS publishes original papers, review papers, conceptual frameworks, analytical and simulation models, case studies, empirical research, technical notes, and book reviews.
