General Terms of Publication

Retained Rights

I understand that I retain or am hereby granted (without the need to obtain further permission) rights to use certain versions of the Article for certain scholarly purposes, as described and defined ("Retained Rights"), and that no rights in patents, trademarks or other intellectual property rights are transferred to the Future Academy.

the right to make copies (print-electric) of the article for own personal use, including for own classroom teaching use;

the right to make copies and distribute copies (including via e-mail) of the article to research colleagues, for personal use by such colleagues (but not for Commercial Purposes);

the right to post a pre-print version of the article on Internet web sites including electronic pre-print servers, and to retain indefinitely such version on such servers or sites;

the right to post the accepted author manuscript on the author's personal or institutional web site or server, incorporating the complete citation and with a link to the Digital Object Identifier (DOI) of the article;

the right to present the article at a meeting or conference and to distribute copies of such paper or article to the delegates attending the meeting;

for the author's employer, if the article is a 'work for hire', made within the scope of the author's employment, the right to use all or part of the information in (any version of) the article for other intra-company use (e.g. training), including by posting the article on secure, internal corporate intranets;

the right to include the article, in full or in part, in a thesis or dissertation;

the right to use the article or any part thereof in a printed compilation of works of the author, such as collected writings or lecture notes (subsequent to publication of the article by the Future Academy);

the right to prepare other derivative works, to extend the article into book-length form, or to otherwise re-use portions or excerpts in other works, with full acknowledgement of its original publication by the Future Academy.

Author Representations/Ethics and Disclosure

I affirm the Author Representations noted, and confirm that I have reviewed and complied with the relevant Instructions to Authors, the Ethics in Publishing policy, and Conflicts of Interest disclosure.

Author representations

The article I have submitted to the Future Academy for review is original, has been written by the stated authors and has not been published elsewhere.

The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by Future Academy.

The article contains no libelous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.

I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in my article.

If I am using any personal details or images of patients or research subjects, I have obtained written permission or consent from the patient (or, where applicable, the next of kin).

If the article was prepared jointly with other authors, I have informed the co-author(s) of the terms of this publishing agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

Funding agency requirements and other policies

I have also been made aware of the Future Academy's policies with respect to funding agency requirements.
